Workshop on Advances in Modern Clinical Radiotherapy

September 2-5, 2015
Cho Ray Hospital

On behalf of Workshop Organizing Committee, it is our pleasure to announce and invite you to the workshop on "Advances in Modern Clinical Radiotherapy" from 02-05 Sep 2015 at Cho Ray Hospital, Ho Chi Minh city, Vietnam.

The workshop is co-organized by Cho Ray Hospital, Dr Cheng Saw and his international Expert Team (Drs. D. Djajaputra, K. Komanduri, J Yang, I. Wahid) working at St. Joseph's Hospital, University of Maryland, Towson and Beacon Hospital, Petaling Jaya, Malaysia.

This workshop will be not only an opportunity to meet speakers experienced in the field of Radiotherapy in the U.S as well as other developed countries in the world, but also a chance to learn and share clinical experience with leading industry experts on the most advanced techniques and state-of-the-art radiotherapy equipment available today as well as among participants. Workshop program will cover a wide range of advanced techniques related to modern treatments currently being applied in countries around the world such as IMRT/VMAT, IMRT/SBRT, IGRT, including the treatment on the LINAC and Tomotherapy, Cyber Knife, consisting of brachytherapy and external radiation therapy. In addition to presentation session, there will be the "Treatment planning system demonstration, Quality assurance CT-Sim and IMRT demonstration". Finally, CME/CPD point will be awarded to the participants who have completed the workshop.

We very much look forward to your presence at this workshop. This is a pleasure to welcome you to Cho Ray Hospital and our Ho Chi Minh City.

It is very much appreciated if you could forward this announcement to your friends, colleagues and co-workers.

Thank you.
Yours sincerely,

Director
